Market Snapshot

### Market Snapshot allows you to...

- Show **sellers** the history average home prices in their neighborhood
- Find the right neighborhood for your **buyer(s)**
- Highlight sought after characteristics like home age, sqft, lot size, bedrooms, bathrooms, years owned, etc.
- Instantly access the **most accurate market data** in **seconds!**

### Where can I find Market Snapshot?

From the main page on (CTC Web)  
Click on **More Tools** --> **Market Snapshot**

You can also find a Market Snapshot button under Live Map, Polygon Maps and the existing farms dashboard.
